

We are pleased to introduce additional shows this year, one on the South Coast in Fareham, one at Chelmsford and a date in Edinburgh. We have also had to relocate three shows as venues have become unavailable, namely our Cambridge Show, our Chester show and that in Shepton Mallet. These are now located in a more central location in Cambridgeshire in St Ives, to Nantwich Civic Hall instead of Chester and for the Shepton Mallet Show we have moved to Bath Racecourse, which we believe will be a more successful location drawing more easily from Bath, Bristol and Reading. We have managed to keep the prices the same for 2019, but to do this we will need to charge £5 for all tables in addition to those ordered. For example if you order 2 tables but want 2 tables behind you need to order 2 additional tables in the additional table column on the booking form. Also as most venues now require payment up front all tables must be paid for at **least 1 week** before the start of the show, and **four weeks** before to qualify for the early settlement discount. These 2 actions are enabling us to trade for another year without increasing table fees. Here's to a successful and healthy 2019.

We operate a rolling deposit system where you send one deposit of £150 for any number of shows for all booking forms received prior to 31st December 2018. After 31st December we will require £150 deposit and full payments on your first show. Each show is invoiced in full and the deposit rolls on to the next show, and should be deducted from your final invoice payment. Please make cheques for deposits payable to ROCK AND GEM LTD.

Shows will be invoiced around six weeks prior to the event, and must be paid 4 weeks in advance to take advantage of the early payment discount. All shows must be paid for at least one week before each show.

Cancellation 6 weeks or more before the event, full loss of deposit. Cancellation within 6 weeks of the event, full payment will be due plus full loss of deposit.

Booking will only be confirmed (subject to acceptance) once we have received your completed booking form and deposit. No booking for 2019 will be accepted without a deposit.

Please note that pitch placements maybe changed due to change in exhibitor numbers and layout changes.

If shows have to be cancelled provided 6 weeks notice is given Rock and Gem take no liability for exhibitors costs, this will be kept to a minimum.

All electrical items must be PAT tested. We do have a company who attends some Rock and Gem Shows and offers PAT testing at a very competitive rate. If electrical items have not been PAT tested they will not be able to be used at Shows.

Kettles are not allowed in any show when trading.

Please ensure that electrical total watage does not exceed the given totals per 6 foot table. Otherwise we reserve the right to remove electrical items above this amount. You may wish to consider investing in LED lights as this reduces the charge.

Pop up banners are limited to one per 6 foot table.

Vans are not allowed to be brought up for loading at any show until all customers have left the building for health and safety.

To reward those who support us throughout the year and around the country we will continue to offer a 5% discount if more than 20 shows have been booked. This will be deducted from invoices for existing exhibitors and from the 21st show's payment for new exhibitors and automatically from subsequent 2019 shows.
