

We hope that you are all keeping well and have come through the last year OK. We are back for the remainder of 2021 with a revised schedule of Shows.

These Shows however will be run under COVID 19 rules and procedures which will be the following:

Aisles will need to be wider;

Many venues will be strictly one way;

There will be larger gaps between exhibitors, both behind and to the side, which cannot be altered there will therefore be no ability to double back tables.

Due to all of the above, you need to book exactly the space you require as there will not be access to any further tables either to the side or behind, and layouts have also had to be dramatically changed to meet the requirements to operate. We also have to restrict numbers within venues, so need to limit the number of exhibitors helpers to a minimum. If you are proposing to have helpers please speak to us in advance for approval.

Please note that exhibitors at most Rock and Gem Shows can setup from midday on Friday, however Lyndhurst will be from 6am on the Saturday.

We do anticipate demand for certain shows to outstrip availability so please do return your booking form promptly to avoid disappointment. We cannot hold tables without a completed booking form.

Thank you for your continued support and here's to a successful and healthy 2021.

We operate a rolling deposit system where you send one deposit of £150 for any number of shows for all booking forms received prior to 31st May 2021. After 31st May 2021 we will require £150 deposit and full payments on your first show. Each show is invoiced in full and the deposit rolls on to the next show, and you should deduct this from your final invoice payment. Please make cheques for deposits payable to ROCK AND GEM LTD. Should you wish to roll your deposit forward, simply advise this on the booking form and obviously do not deduct it from your final invoice for the year.

Shows will be invoiced around six weeks prior to the event, and must be paid 4 weeks in advance.

Cancellation 6 weeks or more before the event, full loss of deposit. Cancellation within 6 weeks of the event, full payment will be due plus full loss of deposit.

Booking will only be confirmed (subject to acceptance) once we have received your completed booking form and deposit. No booking for 2021 will be accepted without a deposit.

Please do note that exhibitors must be at their stands by 9.45am on Saturday and Sunday. We will have to consider excluding exhibitors from future shows should they arrive late at more than one consecutive show.

Please note that pitch placements maybe changed due to change in exhibitor numbers and layout changes.

If shows have to be cancelled provided 6 weeks notice is given Rock and Gem take no liability for exhibitors costs, this will be kept to a minimum.

All electrical items must be PAT tested. We do have a company who attends some Rock and Gem Shows and offers PAT testing at a very competitive rate. If electrical items have not been PAT tested they will not be able to be used at Shows.

Kettles are not allowed in any show when trading.

Please ensure that electrical total wattage does not exceed the given totals per 6 foot table. Otherwise we reserve the right to remove electrical items above this amount. You may wish to consider investing in LED lights as this reduces the charge.

Pop up banners are not allowed at present due to spacing requirements.

Vans are not allowed to be brought up for loading at any show until all customers have left the building for health and safety and also to comply with COVID 19 requirements.

Please ensure that you display the correct signage if selling Gold and Silver Jewellery. These can be purchased at the Assay Office online.

Please return the booking form and deposit cheque to:
